

Godly Play Lesson – Sunday, March 29, 2020

This week's lesson is Holy Baptism. Please access this story on line. Go to godlyplayfoundation.com and access "Holy Baptism" on You-Tube. Watch the lesson with your child and ask how you might show this lesson. Does he or she have a doll or even a favorite teddy? This is a "practice" baptism. The other materials are common things around the house. Practice the story several times. The wondering questions at the end help your child think about what we can learn from the story.
