

Kids' Kingdom Teachers Needed for Fall 2017

Kids' Kingdom is looking for additional teachers and assistants starting this fall. Kids' Kingdom is for youth in first through fifth grades. The classes will meet each Sunday from 9:30-10:15. This important ministry operates on a rotating basis so that teachers and assistants are not called upon each week and all lesson plans and materials are provided. It would be necessary to complete the Safeguarding God's Children training, but Melissa Hamon is a trainer and you would not have to go far to complete that requirement. Please give this vital ministry careful consideration and contact Chris Abbott at 281 545-8859 with any questions.
