

## **Lent Madness - 2018**

Once again it is time for Lent Madness at St. Mark's. The youth of St. Mark's have participated in Lent Madness for several years. Each year 32 nominees "battle" for the Golden Halo. Individuals vote online daily during Lent. This year's competition promises to be a lively one with such candidates as Peter, Paul, John and John Wesley. But what do you know about Richard Hooker, Genesius and Margaret of Scotland? Lent Madness is a great way to broaden your knowledge of those who have given so much for their faith. There will be a poster in the parish hall to track the competition as it progress and as last year the youth will sponsor a Lent Madness Pep Rally on Palm Sunday. Questions can be directed to Chris Abbott. Join in the fun this year and expand your knowledge.
