

Search Committee Update

The St. Mark's Search Committee met on Saturday, March 24. The Search Committee includes Ruthie Hurta, Dorothy Dawlearn, Bettye Newberry, Chris Abbott, Charlie Phillips, Brad Knecht, Barbara Scheibner and Kathy Barzilla. Chris Abbott was selected as chairperson for the committee. One of our goals is to provide the parish with frequent updates on our progress. At this point the committee has received training from the Rev. Francine Young from the Diocese of Texas who is responsible for guiding churches during the transition process and we are working to formulate the questions that will be used with candidates. The members of the search committee have signed confidentiality agreements in order to respect the privacy of all candidates. While the committee is happy to share the ongoing process with the parish, we will not be providing information about candidates. Questions about this process can be directed to any search committee member.
