

For each session listed on the opposite page, we will need a minimum of 7 students in order to provide child care services. Our Plus Days Program is open to children from 18 months to 3rd Grade.

We are a state licensed child care facility. All paper work required by the state will have to be submitted before your child can attend. If you went to Summer Camp 2017 or are enrolled for the 2017-18 school year, we can use the information currently on file.

You will need to pre-register your child as soon as possible. The final non-refundable payment must be received one month before the care date. The payment for August Before School Year Begins is due August 1, 2017.

Please pre-register as the number of spots available is limited.

Our Plus Days will be filled with fun activities , games, crafts, and outside play.
